Dear Sir:

It has recently come to our attention that a procedural step may have been skipped when you submitted information on June 10, 2009 with respect to SEM-08-01 initiated in June 2008. To rectify this situation, the Secretariat of the Commission for Environmental Cooperation hereby formally confirms that your June 2009 submission satisfies the initial screening criteria under Article 14(1) of the *Agreement on Environmental Cooperation between the Government of Canada and the Government of the Republic of Chile*.

Please note that the information submitted in June 2009 has already been referred to the Joint Submissions Committee for review under Article 14(2) to determine whether the submission merits requesting a response from the Government of Chile. It is being considered as an addendum to the original submission, dated June 12 2008.

Sincerely,

**Secretariat of the Commission for Environmental Cooperation**
